Expert.ai Profile

Expert.ai is a company specialized in the implementation of enterprise artificial intelligence solutions to create business value, listed on the Euronext Growth Milan market (EXAI:IM) and active in Europe and North America. By applying a proven framework for innovation, Expert.ai supports companies and public administrations in digital transformation, exploiting the potential of AI for multiple processes and use cases, through a responsible, transparent and sustainable approach that focuses on people, problems to be solved and objectives to be achieved. The company boasts over 25 years of experience in natural language solutions and hundreds of successful implementations achieved through concrete projects, based on the integration of the best technologies available on the market with proprietary ones (knowledge graph, automatic learning techniques - machine/deep learning - large language models and generative AI). Banks and financial institutions, insurance companies, publishing companies and organizations in the public administration, healthcare, defense and intelligence sectors choose Expert.ai solutions to automate knowledge at scale, effectively manage huge volumes of information, improve decision-making processes and enable new levels of efficiency by exploiting the right data at the right time, and with great speed. The Company's customers, which operate directly and through partners, include AXA XL, Zurich Insurance Group, Generali, Sanofi, EBSCO, The Associated Press, Bloomberg INDG, Dow Jones and other leading companies. Dario Pardi, who has decades of experience in important multinationals in the ICT sector, is Chairman, CEO and key Shareholder of Expert.ai.
