

Expert.ai Participates in the "TP ICAP Midcap Conference 2026" in Paris

May 6, 2026

Expert.ai S.p.A. (the "**Company**"), a leader in the implementation of enterprise artificial intelligence solutions to create business value, will participate tomorrow **7 May 2026** in the "TP ICAP Midcap Conference 2026".

The event, organized by TP ICAP Midcap and scheduled in Paris from May 6 to 7, 2026, at the prestigious Pavillon Dauphine Saint Clair, represents an important opportunity for discussion between high-potential listed European companies and international institutional investors. It is a key event to present new projects, achievements and business prospects.

Representing the Company at the event will be Chairman and Chief Executive Officer **Dario Pardi**, who will present the Company's business and comment on the Group's economic and financial results during the meetings.

The institutional presentation will be made available on the day of the event on the Company's website www.expert.ai section "Investor Relations/Presentations" and on the Borsa Italiana website www.borsaitaliana.it section "Shares/Documents".

This press release is available on the Company website www.expert.ai and at www.emarketstorage.com

About Expert.ai

Expert.ai is a company specializing in the implementation of enterprise artificial intelligence solutions to create business value, listed on the Euronext Growth Milan market (EXAI:IM) and operating in Europe and North America. Through EidenAI Suite, Expert.ai supports companies and public administrations in their AI adoption journeys by offering a suite of ready-to-use solutions tailored for vertical markets. With 30 years of pioneering experience in innovation and technological excellence, Expert.ai has successfully implemented hundreds of projects, integrating the best technologies available on the market with its proprietary solutions. Its Hybrid AI approach (a neuro-symbolic AI based on natural language understanding and knowledge graphs, and machine learning/deep learning techniques - large language models, generative AI and agentic AI) is grounded in a vision of responsible, transparent and sustainable AI designed to serve people, address key challenges and achieve meaningful goals. Among Expert.ai's customers, who are served directly and through partners, are AXA XL, Zurich Insurance Group, Generali, Sanofi, The Associated Press, Bloomberg INDG, Dow Jones, and other leading organizations. Dario Pardi, who brings decades of experience at major multinational companies in the ICT sector, is Chairman, Chief Executive Officer, and a key shareholder of Expert.ai.
